## *Exalted Ruler's Message*

Fellow members,

The time is upon us, once again, to close out the previous Lodge year and begin a new one. I'd especially like to thank Chuck Clanton for a job well done as the ER this past year. Chuck's leadership has remained strong despite all of our unforeseen and unexpected challenges. Our installation/BBQ was a tremendous success, and I'd like to thank all those who helped make it all possible.

In the upcoming year, we will undoubtedly face new challenges. Among the issues that are currently on our list involve improvements and maintenance to our facility and grounds. Indoor air quality, outdoor appearance, and the muddy parking lot are but a few of our priority topics. I'd like to assure you all that we will take no action on these and other issues that have the potential to greatly affect the membership and the Lodge without providing ample opportunity for membership input and involvement. I truly look forward to addressing these important issues, and I would like to encourage our members to speak out and participate in this process.

On another topic, we still have an opening for Inner Guard. I'd like to invite anyone who might be interested to please contact me or one of the other officers. It's a great way to participate and become informed of important Lodge business, and the requirements are really quite minimal. We also have a few openings for committee chairs that we must fill soon. I'll send out more information on these positions after State Convention in Roswell.

Yours in Elkdom,  
Rich Kieltyka  
Exalted Ruler
